

Partnering to Create an Actualizing Event!

Thank you for considering Kendall C. Wright, "**The Actualizer**," as an integral part of your upcoming event.

We understand how much is riding on your selection of a presenter. That's why we want to make working with us a "stress-less" experience.

In this section we've provided forms, photos, scripts, room configuration and audio-visual requirements. These materials are especially useful in the planning and publicity of your upcoming conference, concurrent sessions, staff meeting or other educational opportunities.

Below, you'll find information to save money, energy and time - in other words - things to help reduce your "stress." Together we can ensure your event will be Actualizing!
