Post Office Box 1515
West Chester, OH 45071-1515

Dear Mr. Wright,

I would like to take this opportunity to thank you for your inspirational and uplifting presentation at our Annual Parent & Volunteer Recognition. It was wonderful to hear such a vibrant person speak about volunteering and giving back to others. I think we all took note of "MSD" and we are determined to not fall in to the "maybe some day" trap.

Our parents were touched by your words and are continuing to share with other parents your words and how you captured the audience by "Come Dream With Me."

I wish you much continued success and hope to have you grace us with additional words at a later date. We would gladly recommend you to other organizations for your dynamic and powerful presentations.

Sincerely,

Diane M. Johnson
Program Director

Mission Statement

The mission of the Dayton Public Schools is to guarantee a quality education for every student, every day.
