

Organizational Overview

Our commitment to providing realistic, relevant, and results-oriented solutions is a pledge you can count on. Our areas of expertise relate to the nucleus of your organizational and personal effectiveness – Leadership, Management and Motivation.

I look forward to our Actualizing partnership. It will be my pleasure to serve as a resource throughout the planning and coordination of your upcoming event or important project.

Entelechy, (pronounced En-tel'ah-key), is defined as a realization or actuality as opposed to a potentiality.

Entelechy Training and Development, Inc. works with organizations and individuals to enhance their effectiveness in the critical success areas of Leadership, Motivation and Management. Substrate **topics** include accountability skills, goal setting, presentation skills and team building.

The Entelechy Training and Development, Inc. tag line encapsulates our philosophy: **Moving From Possibility To Reality.....** When human potential is actualized, the corporate, departmental and individual vision is transformed from idealism to realism.

The Entelechy Training and Development, Inc. logo depicts the light of possibility as it is refracted and magnified by our inner diamond. This process creates our manifested reality. It signifies the spirit of moving toward the mastery of our individual potential and, perhaps most important, how that mastery can benefit others.

The Entelechy Training and Development, Inc. colors: **Vibrant Green** and **Resplendent Gold**. The **green** represents the promise of incredible, unlimited, growth. The **gold** represents the ever-escalating value intrinsic to each of us, right now, and the prospect of yet undiscovered abilities, aptitude and aspirations.

Our **workshops, seminars, motivational presentations** and **consulting services** can make the right difference, right now, for you. **Contact us today.**

Our Passion Statement

To be an instrument of my Creator.

To excite and ignite individuals to **A**spire, **C**ultivate, and **T**est their full potential.

To touch lives sharing, optimism and self-development, all the while changing possibilities into realities.

Our Purpose

To Facilitate:

- ✓ The Conversion of Confusion to Confidence.
- ✓ The Replacement of Doubt with Determination.
- ✓ The Transformation of Anxiety to Actualization.

The Entelechy Way

Never Fail to Deliver your Best

Know that you need accept nothing less

Aspire, **C**ultivate and **T**est

And God will take care of the rest

The A.C.T. Model

A.C.T. is a powerful acronym for **A**spire, **C**ultivate, and **T**est. It is a three-step framework for an action plan. It's a call for attention, a call to action, and a call to achievement. The letters, by their sequencing, tell us that we **must ACT**.
